

*As part of our ongoing commitment in providing the best proactive property registration program possible, it's very important that your community provide a "link" on your Code Enforcement/Compliance landing page directing all property registration traffic to our PROCHAMPS property registration application. This not only will increase your property registration compliance, but will relieve staff of having to field questions from responsible parties (mortgagees, mortgage servicing agents, registrants) with respect to your Ordinance requirements, registration process, etc., not to mention eliminating frustration on behalf of the responsible parties due to having to inquire as to where they need to go to register properties.*

*NOTE: Any previous links and/or forms you may have on your website should be REMOVED and ADD the following (to be placed on your Code Enforcement/Compliance landing page):*

**SUGGESTED LINK VERBIAGE:**

To register a foreclosure property, a vacant property (no foreclosure action), or to file a citizen complaint regarding a property issue, please visit <http://community.prochamps.com/il/cook/dolton-village>.

Any questions with respect to registration requirements, registration status, etc. should be directed to [SUPPORT@PROCHAMPS.COM](mailto:SUPPORT@PROCHAMPS.COM). Or, you may contact PROCHAMPS at (321) 421-6639.
