Answer: Review time extended,

Steve Sledge CA: why is the drive thru close for payment of car stickers. they had Seniors sitting outside the payment center

Answer: The Drive Through is open for all payments.

Carolyn Avent CA: you can't get me 5 more days if I NEVER had the first 10!!!!!!!!!!

Answer: The review time has been extended.

Alfred Burse It's up to the Trustees to call a subject matter hearing, simple. If you want the meeting, it's by call of the Chair.

Answer: Not a question.

Charisse No, the meeting needs to be public. not private emails, etc. Give us 5 more days to review, then meet with Committee and then go to board for vote.

Rhonda Brown we didn't ask for 5 more days?

Answer: The review time has been extended.

Charisse @Alfred Burse "We know what's going on here."

Answer: Not a question.

Carolyn Avent CA: Why are we adding all the people at the top for fire & police if we need officers. Why not officers first???

Answer: The fire only added a Deputy Chief for management because that position was vacant; and the 2 positions in the budget are fire fighters. The Police Department added more patrol officers than command staff. As a matter of fact, one of the command staff added a commander, was already a part of the command staff as a sergeant. Therefore, of the 4 new people that were added, 3 are patrol and one is command.

Charisse Dictate and control - like Dorothy Brown. Name calling like Mayor used to call Trustee Steave a "bobble head." hypocrisy is real.

Answer: Not a question.

Rhonda Brown the residents told you to wait

Answer: Not a question.

Alfred Burse Of Course, there is no such thing as a perfect bill. Yes compromise is a way, but there is a process to compromise. This just doesn't "look" good.

Answer: Not a question.
